**Statement of Chairman Michael G. Oxley (OH)
House Financial Services Committee**

**Appointment of Acting Securities and
Exchange Commission Chair**

"I am pleased to see that Laura Unger will be leading the Commission as its acting chair until President Bush appoints a permanent chair and Senate confirmation is completed. As an SEC Commissioner, Mrs. Unger has been a leader in ensuring that investors and market participants gain full advantage of new technologies as they are used in our securities markets. I look forward to working with her in the immediate future on the many issues in the financial services industry under the review of the SEC."
